EMPOWERING JOY

IN PARTNERSHIP WITH

Better health and wellbeing for all through nature
LINDENGATE

FOR SCHOOLS & LOCAL AUTHORITIES

Outdoor Hub at Lindengate

Empowering educational access and inclusion for every learner

For SENCOs, inclusion leads, headteachers and Virtual School officers

The Challenge

Modern school environments can place overwhelming sensory and social demands on pupils. This often leads to chronic nervous system dysregulation, emotionally based school avoidance (EBSA) and attendance breakdown.

Our Approach

Whole Child Therapy provides an evidence-based, nature-rich therapeutic environment that helps pupils restore self-regulation, rebuild confidence and safely access education.

Clinical & Specialist Services

Paediatric Occupational Therapy

Comprehensive sensory profiling, interoception training, self-advocacy skills and motor planning support

Therapeutic Outdoor Groups & Lunch Clubs

- **Connecting to Nature**
  Morning sensory regulation groups that prepare pupils for learning.
- **Growing Wild**
  Afternoon sessions focused on building stamina, teamwork and social connection.

Funding & Commissioning Pathways

We offer flexible commissioning across statutory and devolved funding streams.

ECHP (SECTION F)

Direct commissioning of statutory specialist OT/SaLT and Alternative Provision (EOTAS)

ASF, VIRTUAL SCHOOL & LAC FUNDING

Fully funded therapeutic packages for adopted pupils, children under SGOs and looked-after children, via Regional Adoption Agencies and Virtual School officers.

SCHOOL DEVOLVED BUDGETS

Accessible directly through Pupil Premium, SEN top-up funding and devolved inclusion budgets.

Inspection, Compliance & Reporting

1

Baseline & progress tracking

Robust baseline assessments and individualised Goal Attainment Scaling (GAS).

2

EHCP integration & reports

Comprehensive written progress reports prepared for EHCP annual reviews.

3

Safeguarding & attendance

Full attendance logging, governance and safeguarding compliance.
